- Covering certificates will not be dispatched without correctly filed reports.
- 3 doses of semen will be dispatched included in the covering fee after that time collection fees will apply.
- **PREGNANCY** is dependable on a variety of factors not just our boys semen. Please have your mare evaluated for breeding prior to nominating your mare.
- No stud fee is transferable to another mare. **NFFR** must be confirmed by Oct 1st of the current season by a vet letter and is valid for mares who failed to conceive in the current season and is only transferable for the next forthcoming season alone.

Visiting Mares/Horses

- The stud reserves the right to stable or feed grass mares as they feel most beneficial to the mare and or foal. Mares at Phoenix national stud will receive every possible care attention and supervision but **NO** responsibility can be taken for accident or disease. All mares are tried and served at their owners **OWN** risk and **NO** responsibility can be accepted for injury damage or loss. The stud reserves the right to refuse any mare without reason.
- Please note that Phoenix National Stud operates according to the HBLB codes of practise on EVA, CEM, EHV and guidelines on strangles. As such we will be unable to accept your mare without necessary documentation and health papers and satisfactory tests unless being carried out at the stud by prior arrangement.
- By submitting a nomination form or bringing your mare or any other equine to the stud you are **agreeing** to our terms and conditions and are therefore bound into a contract.
- **Keep Charges Daily** charges apply to all accounts and are payable monthly in advance with one months' notice being required. No animal will be released from the stud without their account being paid in clear funds. Any account unclear by the end of the season will be given 30 days to clear or other forms of collection will be placed such as / including the sale of mare / tack other items to recover the debt.
- **Blacksmith / vet** .Any treatment that is required is chargeable to the owners account. Every effort will be made to consult with the owner prior to treatment being provided but will be done at the discretion of the stud as it sees fit. In relation to vet stud charges we do our best to get competitive prices with the vets and share call outs where appropriate.
- **Worming** All new stock will be wormed on arrival and be stabled for a minimum of 48hrs and regularly wormed according to our current worming plan thereafter.
- **Livery** fees price lists can be downloaded from on the website.
- **Foaling down** Mares are required to be brought to stud a minimum of 1 month prior to foaling to settle and build up antibodies to the stud s surroundings.
